Q

3) The Chief Engineer explains that, in the case of estimates for Construction Works connected with the Water Supply of Bangalore & Mysore cities, which involve only small sums, it would be an anomaly to charge 5 per cent of the cost of the Executive Engineer & his establishment as directed in G.O No 4319-21 - Mil 84-26-24 dy 19 12. 1928 He suggests that no centage charges need be entered in individual works on this account & that 5 per cent of the cost of Establishment of the Office of the Executive Engineer may be charged to the two Municipalities in the Accounts of June every year

4) From the Chief Engineer's letter it is not clear whether one and half per cent on Account of direction & one per cent on account of audit should continue to be levied on each estimate & whether it should be calculated on

NOTE—Contin sheet

the Amount of the estimate

D 3) The G O of 19-12-1928 was based on paragraph 3 of G O-No 1040-44-S dated 29th Jan 1927 issued from the P W D Secretariat In the paragraph, it is stated as follows -

"In addition to the establishment charges referred to in paragraph 1 above, Government direct that the municipalities shall bear the charges, on account of direction & audit at 1½ and 1 per cent respectively together with 5 per cent on the cost of the establishment charges of the Office of the Ex Engr Water Supply Dn to cover contingencies on Construction".

D 4) If, under the instructions issued in paragraph 3 of the P W Secretariat Order dated 29/1/27, five per cent of the cost of the Ex Engr's establishment is charged why another five per cent should be charged again in

NOTE—Contn sheet

Subject - Establishment and Tools and Plant charges on works relating to water Supply in the Bangalore and Mysore Cities

---

Sir,

I have the honor to invite kind reference to G O No L 4719-91/ M1 84-26-24 dated the 10th December 1928, and to state that the undermentioned centage charges are ordered to be levied on all water works executed in Bangalore and Mysore Cities - -

1½ % on account of direction

1 % on account of audit

5 % or the cost of establishment of the office of the Executive Engineer, Water Supply Division, on account of supervision charges

It is since brought to notice that in cases of estimates of small sums, it would be an anomoly to charge 5% of the cost of the Executive Engineer and his establishment which will amount to nearly Rs 100/- I wish to suggest that 5% of the cost of establishment of the office of the Executive Engineer, Water Supply Division may be charged to the two Municipalities in the account of the month of ~~Revenue~~ June every year, and this percentage need not be entered in individual works at all

2 It is requested that the Government Order referred to above be modified accordingly The necessary deductions will be shown for all works in progress from 1928-29 and for which
